INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Their certificates were sent back as they were called the Night Hawk Indians. I got the strip money. Both parents were Indians. My mother is Lucy Cornsilk and she is still living and unable to come here today as a witness. She was not enrolled by the Dawes Commission. She would not go and be enrolled. She is over 100 years old. She drew mony in 1852, at Fort Gibson. I don't know whether it was Old Settler or Emigrant but my mother was not Old Settler. Both of my parents were Cherokee Indians. My grandmother was Too-nih or Tooney. Cornsilk is the English name of my grandfather; Oo-na-noo-dih or OO-nah-nu-de or Oo-ne-noo-dee, or OO-na-nu-dih, (OO-na-noo-te), the Indian. He lived in Flint District, at one time. I do not remember my grandfather's brothers and sisters' names. I don't remember the brothers and sisters of my mother. My mother's Indian name was Lu-cih; Lucy Oo-na-noo-te. (Look up on 1851 Roll.) My father was Eli Soup; E-la-wih was his Indian name; or E-la-wee Oo-cum-mah or Ooeca-meh, Oo-cah-ma. I don't know my grandparents on my father's side, except my grandmother Qua-tie. My father had a brother De-sah-yu-kee or De-soo-yaw-kee. I have brothers and sisters in Flint District; nine altogether. The oldest is Cornsilk Oo-na-noo-te. // Tee-yah-nih or Ti-yan-ne. Too-daw-gaskee. TI-ya-ne lived in Flint District. Dear Sir:-

With reference to App. No. 9422 and in reply to yours of Jan. 27th. ,I am not able to advise you when my Grand-parents, Ezekiel and Hannah Harland moved from the Cherokee Nation East. Nor where they fisst settled i n the west. My Grand-father, Ezekiel Harlan died before 1851 and my Grand- mother Hannah was at that time living in in Johnson County, Mo. After the death of my Grand-father Ezekiel Harlan my Grand-mother, Hannah Harlan married a Mr. Perry and they lived in Johnson County, Mo.

In 1851 I was living in Johnson County Mo. with my father and mother. I was not enrolled with the Eastern Cherokees for the reason that we were at that timeZZZZZ(1851) living in Johnson County, Mo. and my parents did not come to the Cherokee Nation to be enrolled. I have been told that my father was advised to come here to be enrolled on that roll but he did not do so.

I am not known as an Old Setler and did not draw money as such and my parents were not old setlers.

I will be glad to supply any other information required.

Very truly,

Adeline Bivin

Frances Sanders, being duly sworn, deposes and says:

My name is Frances Sanders. My age is about 56. I was two years old when the Emigrants came. I drew money, the strip. I did not get an allotment from the Dawes Commission although I went before them. I got the bread money and think I was enrolled in 1851. I heard my parents talk about drawing money for me. I was born in Indian Territory, Honey Creek. I get my blood from my mother. She has been dead 11 years. She was about 80. She was born in Georgia. Her name was Betsey Nightkiller, and she married a Smith. My father was a Mitchell. I think she was enrolled under the name of Smith as I had an older brother and he was named Smith. Stan Smith was my half-brother by the same mother. My mother had a brother Dave Nightkiller, and an older sister whose name I cannot remember/and a sister Katy and another brother Henry and Mark Nightkiller. My mother was 12 years old at the time she left Georgia. She was not an Old Settler. My father was an Old Settler. She did not draw money with the Old Settlers, but my father did. I do not know my mother's mother or father. My mother's Indian name was York-sde. I have heard my people talk about the treaties of 1835 and understood some of them were parties to the treaties. My mother's folks were called Emigrants and Cherokees.

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, who you state lived in Saline District and was enrolled with the Eastern Cherokees in 1851. Give the names of her family who were enrolled with her with the Eastern Cherokees. Give the names of your grandparents on your mother's side, also your aunts and uncles; if your aunts are married, give their married names.

Has your mother ever enrolled with the Old Settlers?

Please give this matter prompt attention and refer in your reply to No. 9438.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Oo-yah-lah, and your mother, Betsy or Suede. We are unable to find the names as spelled in this application on the Eastern Cherokee Roll of 1851; the name Betsy does appear on that roll, but it will be necessary for you to give other names of members of your family who were enrolled with your mother at that time. What was your father's English name? Were your mother and your father enrolled together? If not, give the names of the members of their families who were enrolled with them. Has your mother made application for participation in this fund; if so, give the name used by her or the number of her application.

Were your people enrolled as Old Settlers or eversharе in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

E.K/T.

In re APPLICANTS CLAIMING THROUGH CAROLINE CORN, ALLEGED DAUGHTER OF NANCY BIRD AND JOHN DAVIS.
GROUP No. 9446.

- - -

It is claimed that Caroline Corn was the illegitimate daughter of Nancy Bird by John Davis, son of Daniel Davis. John Davis was enrolled by Chapman at No. 1749 in Walker County, Georgia. Nancy Bird was never enrolled by Siler, Chapman, or Hester.

Caroline Corn's name and that of her child were submitted by Siler to the Indian Commissioners with the following notes and were rejected by the Commissioners: "Caroline Corn, 17, wife, Josephine Corn, age 1, daughter, I. P. Corn is head of this family. Caroline Corn is illegitimate daughter of John Davis a native by a white woman lives in Lumpkin Co. Ga."

The "Statement of an examination of the report and accompanying papers submitted by A. Chapman, etc." gives the following with reference to Caroline Corn:-

"Caroline Corn	21	)		
Josephine	5	)		
Boy	3	)	4	Lumpkin Co.,
Infant	1	)		Georgia.

"Martin Davis swears he knows Caroline Corn, who has been considered as the child (illegitimate) of John Davis by Nancy Bird and acknowledged by him. John Davis was enrolled by D. W. Siler and was paid under ___ the child remained at Dan'l Davis who was willing to provide for it as a grandchild.

"Mr. Chapman States that this person was rejected by D. W. Siler. It is a case that ought to be rejected again."

Upon consideration of the premises and the fact that the claim of Caroline Corn has been twice considered and twice re-

jected at a time when the case could be investigated and considered to much better advantage than at present, therefore it seems necessary that the applications of all persons claiming through Caroline Corn and her descendants should be and they are hereby rejected.

My name is Cornelius M. Moore. I live at Ballouville. I have lived here ever since 1844. I was born in 1837. I know Julia Ann Verdon. I have known her some 40 or 50 years/ I knew her mother. Her name was Nancy Bird. I don't know who she married. She had the following children, three I think. Ann and Caroline. She had another one, but I don't recall the name of the other one. John Davis was always said to be the name of the children's father. I knew John Davis. I knew him for a good many years. I knew him when I first came to this County. My brother said that Nancy Bird swore the children before him. I never heard John Davis say anything about it. Joe and Rock Davis recognized Julia Ann Verdon as his folks. Joe and Rock Davis are both dead. I never heard the children mentioned before John Davis. John Davis went away from here some time after I came here. I never heard John Davis say anything about these being his children. He never acknowledged them in any way as I know of. I never heard of John Davis supporting these children. Nancy Bird had a small place. The men folks were living there with her.

I think my family recognized the as John Davis' children. I don't know that any of my family ever heard John Davis say that he was the father of those children. I know John Davis. I never heard him say anything about it. I knew John Davis after I was grown. It was the general talk in the community that these children were his John Davis' children. I never heard him deny it. I never heard anybody mention the subject in his presence.

Appl. 3775 et al

Winnie Eudalie Howell being first duly sworn, deposes and says:

My name is Winnie Eudalie Howell.

I know Julia Ann Perdew. I know just what her mother told me that John Davis was the father of her children. Julia Ann Perdow, Rachel Chaffin and Caroline Corn. The mother of these children was a Bird. I know that John Davis helped to feed and take care of those children. I saw them going with food to those children that they had gotten from John Davis' plantation. I saw Nancy Bird going to John Davis' plantation and carry away food from there to where she and the children lived. I never heard him say that they were his children. I just heard it talked around. His brothers and sisters claimed them as kin folks but did not have much to do with them. I was at Daniel Davis' house when his names and the two oldest children were enrolled. Joe Davis, Jack Davis and Jeff Davis were there. John Davis lived in Walker Co. when they were enrolled. When I was at Daniel Davis', Caroline Corn was there with her husband, John Corn. Caroline Corn was enrolled then by Dr. Rogers and also Mrs. McDonald, Josephine Corn. Caroline was enrolled as Caroline Bird Corn or Caroline Corn Bird. My husband's name was Whitney Howell.

The Davis recognized Caroline Corn as some of their kin. I do not remember that there was anything said about it at the time of the enrollment. All the neighbors all around always said that they were John Davis' children. John Davis' brothers and his family said they were John Davis' children too.

Daniel Davis kept Nancy Bird at his place. John Davis owned her a lot of land to live on, and had a house put on it. I think two of the children were born at Daniel Davis' house. Caroline was born there, I do not think the next was born there, but was born shortly after she lived there. She lived at Daniel Davis four or five years. The slaves I reckon took care of her there. He let them there to live when he was totally poor.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Creek Charley or Tsa-ley Ah-goo-sah, and mother, Harley. We are unable to find these names, as spelled in your application, on the Eastern Cherokee Roll of 1851. You state that they were enrolled at that time in Skin Bayou District; if they were enrolled, as youstate, they must have used names other than the ones given in your application; kindly advise this Office as to what those names were, also give any other names used by them at any time.

Give the names of your aunts and uncles who were enrolled with the Eastern Cherokees in 1851; if your aunts are married, give their married names.

Did your father or your mother ever share in any payment made to the Creeks?

Did either of them ever live in the Creek Nation?

Please give this matter prompt attention and refer in your reply to No. 9459.

Hon. Cato Miller,

Washington, D. C.,

Dear sir:

In reply to your communication of January 29,1908, relative to my clain for Eastern Emigrant Fund I will say inreply will say that My mother was living in Flint District of the Cherokee Nation, father was living in Sequayah District, and was not enrolled together atthat time as they were not married. I think that the family was enrolledwith my father at that time, consisting of,John Sanders, brother of father,and Thomas D. Sanders,Jack or Jackson Sanders,and two others who were younger and am not certain that they were born at that time or not who were brothers of my father.
I am not certain as to my grand father being alive in 1851,and dont know whether he was enrolled with the Eastern Cherokees or not.
I dont know whether my mother was an Eastern Cherokee ornot and dont know whether she was enrolled with them or not.
I suppose that some of them were but dont know who it was if any as I have no information to that effect but am under the impression that my mother drew Old Settler money,
My grand mothers name on my fathers side was Betsy or Becky, the Cherokee word for it being Quat- ie meaning one of the two terms or either in the contention of some. My fathers people lived for awhile in Canadian District and it may be possible that some of them were born and enrolled in that district.

Lewis Sanders,

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Thaddeus or Samuel Sanders, and mother, Nancy Sanders. Kindly advise this Office where your parents were living in 1851, that is, in what district in the Cherokee Nation; were they enrolled together at that time? Give the names of the members of your father's family who were enrolled with him in 1851.

Was your grandfather, Andrew Sanders, living in 1851; if so, was he enrolled with the Eastern Cherokees?

Were your mother's people Eastern Cherokees and were your aunts and uncles on your mother's side enrolled in 1851 with the Eastern Cherokees?

Were any of your people ever enrolled with the Old Settlers?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

App. No. 9483

January 30, 1908.

Jennie H. Vaughn,

17 Street,

Muskogee, Oklahoma.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, John Hemmitt, who you state was living in 1851. Why was he not enrolled with the Eastern Cherokees at that time? Were you or your mother ever held as a slave; if so, were you owned by white people or Indians?

Were were your grandparents on your father's side living in 1835 and why were they not enrolled with the Eastern Cherokees at that time?

Do you claim any Eastern Cherokee blood through your mother?

Do you claim any relationship to the Creek Tribe? Have you ever affiliated or been enrolled with any tribe of Indians other than the Cherokees?

Please give this matter prompt attention andrefer in your reply to the number of your application.

Very respectfully,

H:K/WBA

Special Commissioner.

#9484-9483

Miscel.

London Hemmitt being first duly sworn, deposes and says:

That I am about 57 years of age. I claim my Indian d escent through my father. My mother was a colored woman. My wife is a colored woman. My father was never owned by anybody. He served in the war. He was about full blood. My father s father was a full blood. His (my father s) mother was a full blood Indian. I suppose my father was born and raised in S. C. He was about 41 or 42 years old when the war broke out. I don t think my father ever lived with the Indians; he lived with his mother in the south and just strolled away. My mother was a slave. I was a slave and so was my sister. Her name is Jennie. If my father was on any roll it was when he was young.

App. No. 8768

January 8, 1908.

Caroline Trammel,

Topton, North Caroline.

Madam:

You claim right to share in the distribution of the Eastern Cherokee Fund through your father, Vann Trammel, who you claim was living in 1851 in Macon County, North Carolina. If he was a Cherokee Indian, as you claim, why was he not enrolled with the Eastern Cherokees at that time?

Do you claim any Indian blood through your mother, Mary Trammel; is she a white woman, Indian, or negro? Was she ever held as a slave; if so, was she owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

My name is Daniel H. Sizemore and I reside in Lee Co., Ala. I was born in 1880. I claim Indian descent through my grandfather, William Sizemore, who was a quarter Cherokee Indian. William Sizemore, as I have understood, was born in North Carolina. William Sizemore died and is buried in Franklin Co., Tenn. He had a brother Jim, which is the only one I can remember. My father's name was Daniel Sizemore and he was born in Franklin Co., Tenn. about 18[illegible], and he died in 19[illegible] in that same Franklin Co., Ala., but not [illegible] Lee Co., Ala. He was from Franklin Co., Tenn. [illegible] where he died in Tenn. My mother died there in 19[illegible] of [illegible] Tenn. I was born in Lee Co., Ala. My father never received any land from the U.S. Government or account of his Indian blood. My parents were married in Tenn. and lived in that county in their life time. Daniel Sizemore, my father, told me more about my father's Indian blood. I never heard [illegible] people speak of being enrolled in 1[illegible] or 1851. My aunt, Sarah Ann Polly and sister of my father, and Felix, James William were my father's brothers, and they were born in Franklin Co., Tenn. My father's father died when my grandfather died he went back to Tennessee and brought James, Felix and William Sizemore with him. After living in Alabama, James went back to Tennessee and died there, one of his sons now lives in St. Louis. My recollection is that we are descendants of Cherokee Indians. I have heard that my grandfathers brothers lived in North Carolina and after he came to Tennessee. My recollection is that my grandfather had five brothers, and I can't recall the names of three of their names of his sisters. I never heard of any other Indians [illegible] lived in Alabama. I have never received [illegible] from the Government on account of Indian blood, nor did any of my brothers or sisters. I never heard of any of them ever [illegible] Indians. Daniel H. Sizemore,

Sizemore, Alabama.

Sir:

Relative to your application for participation in the fund arising from a judgment of the Court of Claims in favor of the Eastern Cherokees, please inform this Office as to the date of the birth of your grandfather, William Sizemore, where he lived, and where he died.

Also state whether or not you are any relation to Ned Sizemore, commonly called "Old Ned Sizemore", and, if so, what relation? Where did Old Ned Sizemore live, and where, and when did he die? Also state the name of his wife, his brothers and sisters, and his children, if you know.

State the name of the father of your grandfather, William Sizemore, if possible, also the names of the brothers and sisters of William Sizemore, if you know.

Was William Sizemore a Cherokee or a Creek Indian?

Have any of your family lived with the Cherokee or the Creek tribe to your knowledge?

State whether you claim through any other line of descent than through William Sizemore.

Very respectfully,

WEA

Special Commissioner.

9508.

William J. Kirk, being first duly sworn, deposes and says:

My name is William J. Kirk and I was born in 1873 in Marion Co., Ala., not Lamar Co., Ala. I have lived here all my life. I have no interest in these claims, except as a witness. I know a family of Sizemores living in the same County that I do and am not related to them in any way. As a child boy, I recollect Mr. Daniel Sizemore's father, whose name was Daniel Sizemore, and I know all of his children and was well acquainted with them. My mother and father and neighbors always told me that the old man, Daniel Sizemore, moved down here from Tennessee. It was my understanding from early childhood that those Sizemores had Indian blood. In the eighties or nineties I learned from J. F. Sizemore, a brother of my Daniel Sizemore, that he had gotten some papers fixed up that he was entitled to a horse or so it was coming to him on account of his Indian blood. Felix Franklin Sizemore said that it took all heirs he knew it horse of getting so much in lieu. I do not know what these papers stated in regard to said matters. About that time there was considerable talk about land being distributed among the Indians in the Indian Territory, and Felix Franklin Sizemore sold out his property here and went to the Indian Territory with the exception of getting none of this land on account of his Indian blood. I have since understood that he did not get any land or allotment. I could not be positive that those papers mentioned a claim allotment or a personal application for lands. I have since heard that the Sizemores belong to the Cherokee tribe. I never was with the Indians, nor did I ever see the Indians ever visiting them, so for truth and veracity I could have no knowledge with regard to Sizemores in their relationship with the Indians.

My name is W. W. Goza; I am seventy-five years of age and reside at Cuin, Ala. I have known the Sizemores in this neighborhood all my life. These are Daniel Sizemore and his brothers and sisters and their families. They were born and raised in what was then known as Marion Co., but which is now Lam r Co. All my life I have heard that the Sizemoress were related to the Indians, but I have never until today heard to they tribe of Indians they belonged. My father and mother told me that the Szemores were Indians. My father and mother, who were v ry old when they died about ten years ago, told me that the Sizemores came from the same State and county that she did, that is, Franklin Co., Tenn. I never heard my mother say about the Sizemore family in North Carolina, but only the branch in Tennessee. I have no interest in the Sizemore claim. For truth and veracity no one stands higher than Daniel and . . Sizemore and the Sizemore family which they represent. I dont know that I ever saw any Indians in this county. I can recollect seeing Indians passing through here along about 1835 when I was a small boy. Those Indians were under escort of Army officers.
